

# Broaster Accessories

Save additional time and labor with Broaster Potato Wedgers and Onion Slicers.

## Counter Model Potato Wedger

Quickly and easily cuts perfect wedges for true portion control.

Super-sharp stainless steel blade.

Weighted handle does most of the work for you.

Wider base legs for steadier stance.

## Wall Mounted Potato Wedger

Same capabilities as counter model but with provisions for greater leverage.

Will even cut largest Russet potatoes into perfectly formed pieces.

Stainless steel construction, designed to last under tough day-to-day conditions.

*Both wedgers include a 4-cut blade. The wedger head assembly will accommodate either a 4-cut or 8-cut blade. A 6-cut blade is available with a change of the head assembly.*

## Easy Onion Slicer

Uses a unique top-down drive to slice (3/16") all kinds of vegetables and fruits quickly and easily in one smooth stroke. Processes up to 4" diameter onions.

All three items are listed by NSF.
