

Prepaid products

PREPAID STATIONS LLC (800) 784-4216

Prepaid Stations has completed its lineup of prepaid products; they are available via the Internet or stand-alone terminal. Retailers now can have up to eight different services all available from one point-of-sale terminal. The new bill-payment program is one of the company's most popular services and is available in most states.

Cups

SOLO CUP CO. (888) 488-7539

Solo Trophy Cups are available in two additional stock prints: Bistro and Mistique café designs join the existing offering of Java Wave, Gourmet, Eclipse and Jazz prints. Snap-tight gourmet dome lids are available in black or white. The cups are manufactured with thin-wall foam that keeps hot beverages hot and cold drinks cool. Stronger than beaded foam, thin-wall foam requires less storage space, and five cup sizes take one lid size.

Foodservice equipment

HATCO CORP. (800) 558-0607

Hatco Corp.'s Individual Built-in Heated Wells safely keep food hot, according to the company. They are available in round, top- and bottom-mounted rectangular sizes, with and without insulation, and have larger drains with flat screens, easy-to-clean hardware and heavier, durable construction. An exclusive feature is consistent holding temperatures with even heat. Wet and dry models include a remote temperature thermostat with separate lighted power switch.

15

Fuel dispenser

DRESSER-WAYNE (512) 388-8311

Dresser Wayne introduces ultra-high-capacity fuel dispensers, including a two-hose, single-sided model that enables retailers to offer two grades or types of fuel at one fueling point. The Vista HS3 dispensers deliver up to 60 GPM through master and satellite hoses. With the dual internal 30 GPM filters placed before the meter and filtering the satellite feed, the Vista HS3 protects the meter and eliminates the need for a satellite filter.

Beverage accessory

TWANG INC. (800) 950-8095

Twang Inc. celebrates its 20th year of providing flavored salts and sugars for beer and cocktails with the introduction of Sal Con Limon beer salt. This salt is a new way to savor the flavor of the world's best beers. The flavor is inspired by the Mexican tradition of pairing beer with lime. The combination of lime and salt in a creative beer-tasting package adds a whole new flavor profile to drinking.

Fryers

THE BROASTER CO. LLC. (800) 365-8278

Broaster's complementary line of high-output pressure fryers is available in three compact, high-efficiency models: the 1600, 1800 and 2400. These units offer the capability to cook loads of 20, 40 or 65 pieces of fresh chicken to perfection in less than 10 minutes (or frozen chicken in about 18 minutes). A smaller countertop model, the VF-2, has an approximate 19-inch-by-19-inch footprint and offers a 2-pound capacity per load.
