Scotsman Ice Systems, An Enodis Co.

The Vollrath Co., LLC

Hobart Corp.

The Broaster Co.

Scotsman Ice Systems, An Enodis Co. The Prodigy™ ice machine qualifies for the EnerLogic™ seal for energy efficiency and comes equipped with a self-monitoring system that provides reports on both unit performance and maintenance needs. The cuber features WaterSense™ purge control that automatically adjusts the purge water amount to minimize scale buildup. www.scotsman-ice.com

The Vollrath Co., LLC The Full-Size Soup Merchandiser features the Heat 'N Serve Full-Size Rethermalizer with lighted on/off switch, and recessed knobs for the base. The merchandiser is available in a choice of six combinations of the base unit, ACM (aluminum composite material) menu board, and accessory pack. www.vollrathco.com

Hobart Corp. The WastePro System handles foodservice waste that includes food, paper, cardboard, milk cartons and more. The system features polished stainless-steel surfaces and enclosure panels; a one-piece, stainless-steel tank with no seams; hardened stainless-steel rotating and stationary cutters; and a watertight stainless-steel control box. www.hobartcorp.com

The Broaster Co. Suitable for countertop use, these ventless fryers come equipped with built-in ventilation and fire suppression systems, a solid-state controller, and an auto-lift feature that automatically raises and lowers the food basket. The countertop units are available in a choice of two models: the 2-lb. capacity VF-2 and the 3-lb. capacity VF-3. www.broaster.com
