

LIGHT THE WAY

Draw in customers with lights and movement with the Jantec **Animated Pizza Man Neon Sign**. The pizza man grabs attention by throwing dough. You can also customize the sign with the message of your choice. 888-526-8321, jantecneon.com

SAFE SERVING

The **SKORR Wire Food Warming Stand** provides a safe way to serve food. The stand has four flat-bottom corner legs with a wide stance to prevent tipping or rollovers; is made with a durable wire; and has an FDA-approved coating so it does not let off any harmful emissions. 800-538-2163, skorrproducts.com

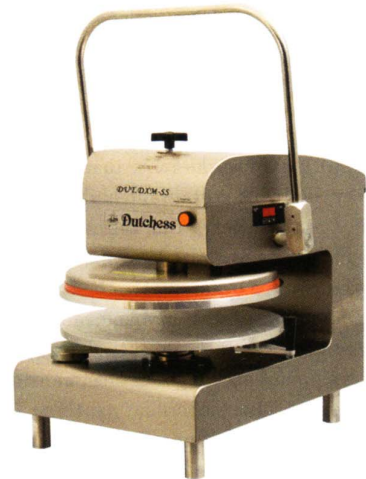

SERIOUS CHICKEN

Genuine Broaster Chicken from The Broaster Company is carefully marinated and cooked in a pressure fryer in the chicken's natural juices so that oil absorption is limited and the marinade sinks to the bone. The company also offers a line of low-carb rotisserie-style chicken to expand your healthy menu options. 800-365-8278, broaster.com

NUTRITIOUS PIZZA

Make your pizza healthier with a shake of some spice. **VitaminSpice**, available in garlic and red pepper varieties, is infused with a multivitamin that doesn't affect the spices' taste and adds a healthy boost for customers. 610-994-1657, vitaminspice.net

POWERFUL PRESS

The **DUT/D-TXM-2-18 Dual Heat Press** from Dutchess Bakers Machinery Company is the ideal tool for making pizza crusts, tortillas and flatbreads. The press can be used in various settings, including cold press, warm press and hot press. Cold and warm press methods allow finishing by hand for a hand-tossed style. 800-777-4498, dutchessbakers.com
