

Broaster Announces Three Additional New Frozen Product Selections

Frank Dowling, president of The Broaster Company's Broaster Recipe Foods Division, recently announced the introduction and availability of three additional new frozen product selections: Broaster® Recipe Deluxe Breakfast Burritos, Broaster® Recipe Breaded Jalapeno Peppers with Cream Cheese, and Broaster® Recipe Battered Natural Cheddar Nuggets. Each item can be prepared using Broaster's pressure frying and ventless frying equipment.

These three new items, along with Broaster® Recipe's recently introduced Premium Boneless

Buffalo Wings, Deluxe Beef 'n Bean Burritos, Deluxe Pizza Burritos, and Breaded Pork Tenderloin, provide a wide range of new top quality foods to complement the company's signature line of frozen eight-piece-cut chicken, popcorn chicken, chicken tenders, and other frozen offerings, according to a press release from the company.

Counting these new items, Broaster Recipe now offers 26 frozen selections that include chicken, seafood, meats, burritos, appetizers, potatoes, biscuits and desserts.
