

Broaster Offers New Zesty Chickite® Marinade

Broaster's new Zesty Chickite® marinade adds even more "wow factor" to its popular signature product, Genuine Broaster Chicken®. Broaster operators wishing to add "Zesty" Broaster Chicken® to their menu just substitute this new marinade in place of Broaster's traditional Chickite marinade – all other procedures remain the same.

Broaster licenses its Genuine Broaster Chicken®, Broaster® Recipe Express, Broaster®

A new marinade from Broaster combines the delicious flavor of Broaster's "gold standard" Chickite marinade along with some spicier flavors from Jalapeno peppers, onion powder and garlic. The result is a zesty flavor profile without an overwhelming level of "heat."

To Go Authentic Pizza, and Bro-Tisserie® Chicken food programs worldwide. The company also manufactures pressure fryers, ventless countertop fryers, rotisserie ovens, and a full line of specialty foodservice equipment; blends a complete line of marinades, breadings and other dry mix products; and markets a wide variety of frozen foods under the Broaster® Recipe brand name.
